THIRD ANNUAL BONE MARROW DONOR EVENT

Every year, thousands of people wait for bone marrow donor matches. If you're between the ages of 18 and 60, willing to donate to any patient in need, and meet the health guidelines, a simple cotton mouth swab can determine if you are eligible for the national bone marrow registry. Please join us July 14 and 15 at The Methodist Hospital for your chance to help others in need.

DATE: July 14 and 15
TIME: 9 a.m.-3 p.m.
LOCATION: **The Methodist Hospital** (*Texas Medical Center*)
6565 Fannin St., Houston, Texas 77030
Crain Garden (*Across from Starbucks*)

For more information, please contact Denene Prophet-Williams at 713-441-1916.
