

Houston Nurse Appointed to AHA Stroke Committee

Ann Quinn Todd, MSN, RN, nursing director of the Eddy Scurlock Stroke Center at the **Methodist Neurological Institute** in Houston, was appointed to the American Heart Association (AHA) South Central Affiliate Stroke Committee. This is a 1-year, renewable term. This committee covers Texas, Oklahoma, Arkansas and New Mexico, and is charged with providing leadership and guidance to the affiliate in developing stroke objectives, monitoring the implementation of community-based initiatives and developing strategies to recruit AHA volunteers.
