

Visitor Information

Wheelchairs are available in the first floor valet areas.

Self-Pay Parking System

Please take your parking ticket with you and pay prior to returning to your vehicle. Parking Pay Station machines are located on the second floor lobby in each building. Cash and credit cards are accepted.

Paying at the Parking Pay Station machines will speed up your exit from the garage. If you forget your parking ticket, you can pay at the garage exit lane using your credit card. Cash is not accepted at the exit lane machines.

After parking your vehicle, take one of the color-coded cards located in the elevator lobby to remind you of your vehicle's location.

If you self-park and can't find your vehicle or have trouble with your vehicle, please contact a garage ambassador at 713-441-4499 for assistance.

Rules and Regulations

Please park only in designated areas and observe posted visitors' zones, fire lanes and handicapped areas. Vehicles in violation of these rules are subject to towing. Lock your vehicle and store all valuables out of sight.
